**WEEK 10 TERM 3**

**Friday 27th September 2019**

### PRINCIPAL'S MESSAGE

Term 3 has flown by and what a busy one it was, with lots of learning opportunities for both our students and our staff! I hope everyone enjoys a much-needed break and has a chance to recover from all the bugs that have been getting around the last couple of weeks.

Students enjoyed a day out at Weethalle PS for their Maths Day this week. Many thanks to My Hurley and his team for hosting and organising and a big thank you to Beck Brown, Mrs Castle and Miss J for providing the transport.

This week, we welcomed our transition families into our school for their first official school event, our Parent Information Session on Tuesday night. It was a great opportunity to make connections and ensure everyone was equipped with the right information before transition commences next term.

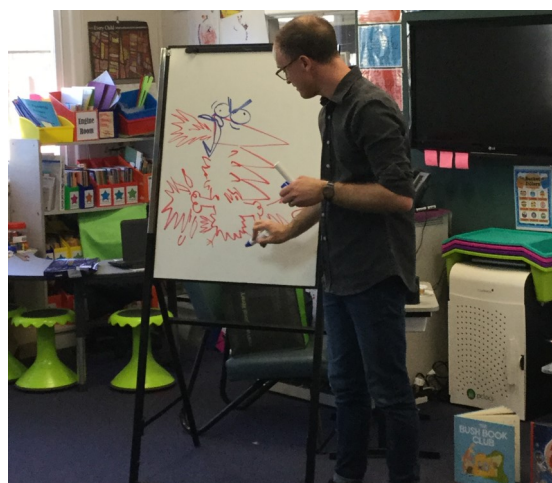

NAPLAN results have arrived and have been sent home today for students in Years 3 and 5. Staff will be having a close look at individual student results and growth early next term to identify any areas that require a stronger focus and to inform future teaching. If you would like to discuss your child's NAPLAN results, please contact the school to arrange a time with our teaching staff.

Unfortunately, we've had some unwanted visitors in our school with a number of reported cases of head lice. A note went home earlier in the week asking parents to please check their child's hair and treat if required. The best way to treat head lice is to use inexpensive hair conditioner and a nit comb. You will have to re-treat several times before all the eggs will be gone. We appreciate everyone's cooperation with this.

Have a happy and safe holiday! Remember, students return Tuesday 15th October.

Miss Denna Tye—Principal

### Library Visit by illustrator, Ben Woods, teaching the students some drawing skills.

### **REMINDER**
