**WEEK 5 TERM 4**

**Friday 15th November 2019**

### PRINCIPAL'S MESSAGE

What a busy one Week 5 was! With all the organisation for the RIEN Creative Arts Day, we didn't quite get the newsletter finished to go out Friday, so my apologies that you're receiving this late.

Last week I had two days in West Wyalong meeting with my principal colleagues and Director, Educational Leadership with a focus on 'Strengthening School Targets'. We will have a strong focus on improving Reading, Numeracy and Attendance in the coming years, through targeted professional learning to improve classroom and school practices.

On Friday we hosted another successful Creative Arts Day for our RIEN schools, thanks to a big team effort. Our staff put in many hours of organisation in the weeks leading up to the day to ensure everyone had fun and the day ran smoothly. Our P&C did a fantastic job feeding over 120 visitors very efficiently, all from our tiny, little weather shed. I know it's a busy time of year for everyone, so on behalf of our students and staff, we thank you for supporting us and showing us all how much you value our little school. We also thank all of the schools who attended on the day for traveling out to us and to their staff who helped out on activities for the day. Congratulations to Tyrelle and Percy who were nominated by visiting teachers as students who participated well throughout the day, were good role models and showed initiative.

This week students will be completing a range of school-based assessments to inform student reports. I will be attending professional learning around the PDHPE syllabus on Thursday and Friday and budgeting support on Thursday afternoon.

Have a great week!

Miss Denna Tye  
Principal

#### PRESENTATION EVENING

Save the date! Our 2019 Presentation Evening will be held on Tuesday 17th December at the Naradhan Hall, 5:30pm for a 6:00pm start. Students have started practising for our play and Kerrie has been teaching them some new songs to perform on the night. As soon as roles have been finalised we will send notes home with costume requirements for the night.

Michael is proud of his efforts for reading, he has completed 125 nights reading.

Mrs Johnston and the Infants class held a Thank you morning tea on Wednesday for the students and all the staff. It was part of their learning in Maths this term where they learnt about Fractions and Division. We all enjoyed some fruit salad and conversation together.
