WEEK 6 TERM 4

Friday 22nd November 2019

PRINCIPAL'S MESSAGE

I think we've all enjoyed a quiet week at NPS this week with business as usual in the classroom. Everyone has worked hard completing end of year assessments and we've been sneaking in some play practice at every spare chance. It's such a great time of the year, reflecting on the progress our individual students have made and I'm looking forward to planning for 2020.

On Monday, we had Mr David Crelley, Principal School Leadership visit and spend some time with me planning for External Validation. We established a timeline for preparing our submission and decided on a layout. Our next step is to decide on what our evidence sets will be based around and to begin collecting artefacts to tell our story.

Mrs Judy Bartholomew provided our students with a free hearing check on Wednesday. Judy will be providing a report to parents on the outcome of the check. It was Judy's first visit to our school and we appreciate her providing this free service to our families.

Next week, we have our transition students for their final day before they start 'big school' in 2020. We also begin our Intensive Swimming program on Thursday. Please remember to pack swimmers, a towel, a rash shirt, sunscreen, hats and drink bottles. Students will need a packed recess and may order lunch from the pool canteen if they wish. All students are to attend school for the morning session and will catch the bus in after recess. Please contact the school if you will be picking your child/ren up from the pool in the afternoon.

Have a great weekend!

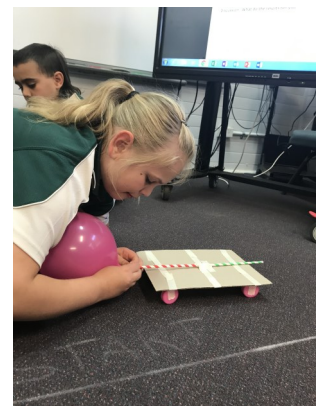

Miss Denna Tye

Principal

All Library books need to be returned to the school by Monday 9th December so Mrs Castle can do the yearly library stocktake.

Infants and Transition students read Mrs Ward's Sally Snicker's Knickers this week and enjoyed making their own knickers to wear proudly on their heads!

Students have been learning about forces in Science. This week, Primary students had to design and make a model car and use air thrust to move it one metre as quickly as possible. They had three opportunities to make improvements to their design.

WHAT'S COMING UP?

SCHOOL SWIMMING AND WATER SAFETY PROGRAM

All students will be involved in the School Swimming program again this year. We have booked the pool and instructors for next Thursday 28th and Friday 29th November and Monday 2nd, Tuesday 3rd and Wednesday 4th December. Transport will be by bus. Please let the school know of any changes to drop off or pick ups. All students are expected to attend school for the morning session and will travel in to Lake Cargelligo after recess. Permission notes and lunch order forms went home last week. Please ensure notes are returned before Wednesday.

CRICKET NSW MASCOT VISIT

On Friday 6th December we will have a Cricket Mascot visit with Cricket NSW as part of the Challenge our school participated in earlier in the year.

TERM 4 ASSEMBLY & CHRISTMAS LUNCH

Our Term 4 Assembly will be held on Wednesday 11th December from 12:30pm. We will follow the assembly with a Christmas lunch held in the classroom. Families will be asked to please contribute by bringing along some food to share. More details to come.

SMALL SCHOOLS SWIMMING CARNIVAL

The Small Schools Swimming Carnival will be held on Thursday 12th December at the Lake Cargelligo Pool. This year it's Rankins Springs turn to host. Volunteers are always needed to help out with timing so please let us know if you're available on the day. Transport will need to be organised by parents. Permission notes to come.

PRESENTATION EVENING

Save the date! Our 2019 Presentation Evening will be held on Tuesday 17th December at the Naradhan Hall, 5:30pm for a 6:00pm start. Students have started practising for our play and Kerrie has been teaching them some new songs to perform on the night. Most of the costumes required will be organised by the school.

The P&C will be providing supper for the evening and would like to invite all members of the school community to make donations for the raffle which is drawn on the night. Any contributions can be left at the school. Please contact Dee if you have any further enquiries.

40-day challenge

Bland Shire Library's annual Summer Reading Club program is on again! However, this year we are doing things a little different. This year, Summer Reading Club will be a 40-day challenge. This will move the emphasis from counting books to days spent reading, making participation more achievable for all involved. The Summer Reading Club 40-day challenge is free for school students aged 5–16 years. No matter what your child's age or level of reading, they can read as many or as few books as they like, as long as they read.

Their challenge is to read for a maximum of 40 days between the official dates of December 1, 2019 and January 31, 2020. To help your child reach their goal, there will be rewards along the way and lots of fun activities! To find out more, go to the Bland Shire Library webpage, Facebook page or contact library staff on 6979 0272
