WEEK 4 TERM 3

Friday 16th August 2019

PRINCIPAL'S MESSAGE

Last Friday, students had the opportunity to have their questions about NASA answered, when ex-student Grace Wilkes-Bowes returned for her follow-up visit from last term. Grace recently travelled to America, spending time at NASA and Space Camp. Our students heard about Grace's experience and learnt about rockets, astronauts and life in space. We really appreciate the time Grace spent with our students and for following up on all the questions they posed to her during her first visit.

You may have heard about the recent changes to the Department's enrolment policy. The policy is in place to assist schools to meet their obligations under the Education Act 1990—to ensure that every student has a place at their local school. The revised policy is designed to support all schools to manage all enrolment applications. Schools below capacity will still be able to consider out-of-area applications. Our intake area is currently being developed and I will pass on any new information as I am informed. For more information, please see the parent information sheet attached to this newsletter.

We finish the week with the Lower Lachlan Athletics Carnival. We wish Zara all the best in all of her events and hope she has an enjoyable day.

Don't forget next Tuesday is our Book Week Parade and annual Book Fair from 10:30am. We hope to see you all for our morning tea.

Have a great weekend.

Miss Denna Tye

Principal

Congratulations to our Latest Silver Student

Zara has recently reached 200 ClassDojo points. Silver students get the opportunity to personalise their Dojo Monster and will be awarded their Silver Award at our next assembly.

Grace presented Reily with a Science book she purchased in America for our school library.

WHAT'S COMING UP?

BOOK WEEK CELEBRATIONS

Naradhan Public School will hold their Book Week Parade next Tuesday 20th August from 10:30am. Students are encouraged to dress up as a favourite book character. We will also hold our annual Book Fair in the library and have a morning tea for our guests.

DRESS YELLOW DAY

On Friday the 23rd of August students can come dressed in yellow and bring a gold coin donation to help raise money for the Cancer Council Daffodil Day Appeal. We will also be having a yellow cake stall. Any donations of cakes or slices would be much appreciated.

OWEN DUNLOP VISIT

On Monday 26th August, Mr Owen Dunlop will be in the area and has planned to visit our school from 2pm. Owen is a retired small school principal and now volunteers for Petaurus Education Group and Wirraminna Environmental Education Centre. He will be talking to our students about endangered parrots and specifically the Glossy Black Cockatoo and the Major Mitchell which are in our area. We look forward to welcoming Owen into our school.

TOUCH GALA DAY @ GRIFFITH

Our primary students have the opportunity to participate in the Griffith Touch Gala Day on Tuesday 3rd September. The day is participation-based and will be non-competitive. We will need a parent to volunteer to assist with transport. If you are able to help out, please contact the school. Notes will go home once transport has been arranged.

Grace stayed for the afternoon and gave us a helping hand with our show art.

Zara competing in the Lower Lachlan Athletics Carnival in West Wyalong today!
Congratulations Zara!

5 August 2019

To Whom It May Concern

The popular Cattle Junior Judging & Parader's Competition will be going ahead again at the Lake Cargelligo Show this year and will be held on Saturday, 31st August, 2019.

These competitions are really aimed at the novice level of competitors to try and generate more interest in the cattle industry and feel that what better way to do this than via a casual and friendly competition at the Lake Show.

The Overjudge, Mr Denis Moxey, will hold a Parader's and Judging Workshop at 10am at the Lake Cargelligo Showground in the area beside the cattle yards prior to the competition beginning at 11am. There will be three levels in both competitions ie Novice (for absolute beginners despite the competitor's age), Intermediate (for those competitors who have participated in any previous competitions) and Open (for those competitors who really know what they are doing and may have placed in any previous competition).

The Parader's Workshop, which is judged solely on the person, will teach competitors about the characteristics that the Judge is looking for such as the presentation of themselves, the presentation of the animal including how it is paraded and the amount of contact the competitor has with the judge are all taken into consideration.

The Junior Judging Workshop will explain certain aspects of the body of an animal and why one particular beast might be better than another. Competitors then have to place animals in a particular order of 1st, 2nd, 3rd and 4th and then need to convince the Judge why you placed them in that order. This is a great way to learn about what constitutes a good animal and creates confidence in public speaking.

If your school would like to bring along some of your cattle, you are more than welcome and ask that you let us know as soon as possible if this is the case.

Anyone over 8 years old is eligible to participate and is FREE to enter. Elders Lake Cargelligo will again be sponsoring this event with many prizes up for grabs for placing's in both competitions. Whilst this invitation is extended to schools, the competitions are also open to local and individual competitors as well.

Looking forward to your support in this Competition and ask that you please confirm your attendance and student participation by 24th August, 2019 if possible.

Kind regards

Kerrie Johnston

Enrolment policy

Information for parents

The Enrolment of Students in NSW Government Schools policy is in place to assist schools to meet their obligations under the *Education Act 1990* - to ensure that every student has a place at their local school. The policy also communicates to staff and the community a transparent enrolment process.

Why was the enrolment policy revised?

Across the state, many communities are changing. Some are growing at rates never seen before. Some schools that used to be able to accept out-of-area enrolments, no longer have the room to do so.

The revised policy is designed to support schools to manage all enrolment applications, encourage greater consistency in decision-making and make sure the enrolment choices are clear for parents.

What are the changes?

The enrolment cap

The enrolment cap is the number of students that can be enrolled at a school based on the school's permanent accommodation. The enrolment cap tells us whether the school may or may not have the capacity to accept non-local enrolments. It is not a target or limit on the number of local enrolments a school can take.

Each school with a local intake area will have a cap set by the department from Term 4 2019.

Within the enrolment cap, a number of enrolment places (the buffer) must be kept aside for the likely number of local students who will need to enrol during the year. For this reason, a school will not take non-local students once they reach their buffer, unless there are exceptional circumstances.

100-point residential address check

Parents planning to enrol their child at a school that is near or at their buffer or cap will be asked to complete the 100-point residential address check to confirm they live within the school's designated intake area. This means you will need to provide documents to verify your child's current address.

So that schools only seek information relevant to your child's enrolment, a list of approved documents for the residential address check is available from the school or the department's website at <https://education.nsw.gov.au/policy-library/policies/enrolment-of-students-in-nsw-government-schools>.

Selection criteria for non-local enrolment

Sibling enrolments are now clearly prioritised (where possible) and selection criteria for non-local enrolment will not include student ability, performance or achievement.

What has not changed?

Schools will continue to enrol students who live in their local intake area, regardless of the school's cap status.

There are no changes to enrolment rights of siblings of non-local students. In schools with available places, each enrolment application is considered on its merits, including if siblings currently attend the school. If the school is below capacity, out-of-area applications for siblings of current students will be given enrolment priority.

Schools will continue to provide families with support and advice during the enrolment process, including assessment of exceptional and compelling circumstances particularly for vulnerable students and their families.

Schools will also continue to apply the policy fairly and consistently using transparent and accountable processes when making decisions around enrolment applications. Parents have a right to appeal to determine whether the stated processes have been applied in a procedurally fair manner.

But what do the changes mean for me?

What if my child is already enrolled but we do not live in that school's intake area?

Your child will remain enrolled at the school as the revised policy does not affect students already enrolled in NSW Government schools.

We were in area when my child was enrolled in the school. The department has since changed the school's boundary and our residence is now out of area. I have other children and I want them all to go to the same school.

What are my options?

At times it is necessary for the department to make adjustments to a school's local enrolment intake area. This could mean a family with a child/children already enrolled is then outside the local intake area. When this happens, the family will still be able to enrol siblings together at the school, regardless of whether the school is over the buffer or cap.

I already have a child enrolled as an out-of-area student in a NSW Government school. Can I enrol my other children at that school too?

This will depend on the capacity of the school:

- If the school is **not near its buffer**, then siblings should be able to be enrolled at the school. In fact, siblings of students currently enrolled will be prioritised, where possible, over other non-local enrolment applications.
- If the school is **nearing its buffer**, then the school will form a non-local enrolment panel. The panel considers non-local enrolment applications when the number of non-local applications received exceeds the number of places available below the buffer. Again, in this instance, siblings of students currently enrolled will be prioritised, where possible, over other non-local enrolment applications.
- If the school is **at capacity** they will not accept non-local enrolment applications unless there are exceptional circumstances.

I have already accepted an offer for my child to attend a school in 2020 that is not my local school. What happens now?

The enrolment will proceed. Non-local enrolments accepted before Term 4 2019 for students starting in 2020 should not be affected.

What is the criteria for enrolment in a school that is not my local school?

Schools that are able to accept non-local enrolment applications establish a non-local enrolment selection panel, if demand exceeds the number of places below the school's buffer.

Schools are required to make the selection criteria available to the school community.

My circumstances are challenging and I think this school is best for my child. We live outside the school's intake area. What should I do?

We understand that not everyone's circumstances are the same, and that there are instances where exceptional circumstances will need to be considered.

Your circumstances should be discussed with the principal of your local school who can assist you to negotiate an out-of-area enrolment if there are exceptional and compelling circumstances.

Contact

For general enquiries contact: 1300 679 332 or email: DoEInfo@det.nsw.edu.au

For enrolment enquiries, speak to your local school. Find school contact details at: <https://education.nsw.gov.au/public-schools/going-to-a-public-school/finding-a-public-school>

A sea of yellow hope set to hit

Did you know that the daffodil is the international symbol of hope for people affected by cancer? Or that one in two Queenslanders will be diagnosed with cancer in their lifetime? This Daffodil Day Appeal, we're doing something about it!

This year, we're hosting a Daffodil Day Appeal fundraiser to raise vital funds for lifesaving cancer research.

Who:

What: Daffodil Day Appeal

When:

Why: Cancer touches all our lives and it's time we did something about it. We're raising funds for Cancer Council to invest into cancer research and help improve patient treatment options and care.

How:

Thank you for supporting our Daffodil Day Appeal fundraiser!
