WEEK 4 TERM 1

Friday 21st February 2020

### MESSAGE FROM OUR STAFF:

Hi Everyone

The last couple of weeks have been very busy at Naradhan Public School.

Last Thursday we met the State Member for Cootamundra, Steph Cooke, who took some time out of her schedule to visit our school. Ms Cooke even sat in on a video conference with years 4 to 6.

She answered lots of questions from our students, not only about her role as a politician but on a variety of topics – some quite unrelated to government.

This week threw a curve ball for us with an unexpected power outage on Tuesday resulting in us all spending the day at the Lake Central School.

Without power, we did not have phone access, nor water for our toilets.

A huge thank you to the Lake Cargelligo Central School staff for being so accommodating to us; to bus driver Sue Hill for reorganising her schedule at such short notice; to the parents for being so understanding; and last but not least, to our students and staff for 'going with the flow' to ensure the children received a good day's learning, despite the upheaval.

We have to also thank our district STEM (Science, Technology, Engineering and Mathematics)

### Above: MP Steph Cooke visited us last week.

consultant, Tanya Riach, who visited us at Lake Central rather than Naradhan, to give the students a fun and informative workshop involving building their own robots!

Thank you to all our parents who have booked in for Learning Talks with either Miss Tye or Mrs Johnston.

These discussions will have a positive impact on the students' learning.

Zara Haddrill is representing our school today, Friday, at the Lower Lachlan Swimming Carnival which is being hosted by Lake Cargelligo.

Zara will compete in the 50m and 100m freestyle events for her age group. Best of luck Zara, we know you will do your very best for Naradhan Public.

Our staff members have all been keeping up their training during these first weeks of term, something which is always ongoing for our team.

On top of all of that, there has also been quite a bit of building activity going on around the school over the last couple of weeks with the weather shed/sports shed building having panelling installed on the interior, as well as being re-roofed and re-floored.

The spaces should now be more practical and can be better utilised by students.

That's it for this week. We'll see you all in Week Five.

## HEALTHY LUNCH IDEA— Chicken Fajita Roll-ups

### Ingredients

½ avocado, mashed  
100g cooked chicken, finely chopped  
2 tsp our Healthy Taco Seasoning Mix (see recipe)  
4 wholemeal tortillas  
½ cup reduced-fat cheddar cheese, grated  
1 cups lettuce, finely shredded  
½ carrot, peeled, finely grated  
¼ green capsicum, finely sliced  
½ tbsp spring onion, finely chopped

### Healthy Taco Seasoning Mix:

1 tsp garlic powder  
1 tsp onion powder  
1 tsp dried oregano  
2 tsp paprika  
6 tsp ground cumin

2 tsp salt  
½ tsp ground pepper

### Method

To make the Healthy Taco Seasoning, mix everything together in a small bowl. This recipe makes bulk seasoning, store in an airtight container until required.

Combine the avocado and 1 teaspoon taco seasoning in a bowl. Combine the chicken and another teaspoon of the taco seasoning in a separate bowl.

Working with 2 tortillas at a time, place in the microwave for 20 seconds on high to soften.

## FAMILY INFORMATION SESSION for 2020
